DIRECTOR OF DIGITAL STRATEGY AND STRATEGIC MANAGEMENT

The Director of Digital Strategy and Strategic Management plays a pivotal role in leading the digital transformation and strategic initiatives of Galen University. This role involves supervising the IT department, driving the digital transformation process, and ensuring the successful implementation of the university's Strategic Plan.

Qualifications:

- Master's degree in information technology, Business Administration, Strategic Management, or a related field.
- Proven experience in digital strategy development and implementation; preferably in a higher education setting.
- Strong leadership and management skills, with experience supervising IT teams and leading strategic initiatives.
- Excellent communication and interpersonal skills, with the ability to engage and collaborate with diverse stakeholders.
- Strong analytical and problem-solving skills, with the ability to think strategically and drive innovation.

Responsibilities:

- Develop and implement a comprehensive digital strategy aligned with the university's strategic goals.
- Administers the IT network, supervise the IT department, providing leadership and direction to ensure the effective management of IT resources.
- Lead the team of unit heads in the achievement of the university's Strategic Plan.
- Engage with internal and external stakeholders to promote the university's digital transformation and strategic initiatives.
- Ensure compliance with relevant regulations, standards, and best practices in digital strategy and IT management.

Key Competencies:

- Strategic Thinking
- Strong leadership skills
- Project Management
- Digital Literacy and their application in higher education.
- Excellent verbal and written communication skills.
